 Before you start your day, you will get the chance to refresh and stretch your muscles to enjoy the rest of the day stress-free.

 Get ready to hop in your Jeep car and explore a hidden gem buried deep into the mountains of South Sinai. Wadi El Weshash is home to three water springs that formed after centuries of collecting rainwater in the middle of the mountains.

Not only that, on our way back to the hotel, we will take you to another hidden Taba gem, Fjord bay, which is one of the most beautiful attractions to take pictures at.

After a long day in the sun, now is your time to relax, refresh and regain your energy with some sunset yoga to get ready for tonight's party.

Now it's time for a one of a kind experience. A FAREWELL PARTY in a spectacular place between the mountains with a one of a kind performance from DISCO MISR
